

***Remarks***

Reconsideration of this application and entry of the above Amendment is respectfully requested.

Upon entry of the foregoing amendment, claims 1, 3-11, 13-21, and 23-30 are allowed in the application, with claims 1, 11, and 21 being the independent claims. Claims 1, 3, 5-7, 9-11, 13-17, 19-21, 23, 25-27, 29, and 30 are sought to be amended to correct for minor informalities. Applicant reserves the right to prosecute similar or broader claims, with respect to the amended claims, in the future. These changes are believed to introduce no new matter, do not change the scope of the claims, and therefore their entry is respectfully requested.

The claims presented in this Application should be interpreted solely based on the file history of this Application, not the file history of any predecessor or related application. With respect to this application, the Applicant hereby rescinds any and all disclaimers of claim scope made in any parent application(s), any predecessor application(s), and any related application(s). The Examiner is advised that any previous disclaimer of claim scope, if any, and any references that allegedly caused any previous disclaimer of claim scope, may need to be revisited. Nor should any previous disclaimer of claim scope, if any, in this Application be read back into any predecessor or related application.

***Allowed Claims***

Applicant thanks the Examiner for indicating the allowability of claims 1, 3-11, 13-21, and 23-30 in the Notice of Allowability dated October 22, 2009 ("Notice of Allowability").

***Comments on Statement of Reasons for Allowance***

Applicant notes the Examiner's Statement of Reasons for Allowance presented on page 2 of the Notice of Allowability. Applicant reserves the right to demonstrate claims 1, 3-11, 13-21, and 23-30 are allowable over the art made of record for further reasons related to any of their recited features. Applicant further contends that reservation of this right does not give rise to any implication regarding whether the Applicant agrees with or acquiesces in the reasoning provided by the Examiner.

***Conclusion***

Prompt and favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,
